Shit HAPPENS

... and it happened all over this bloke!

EVERY year, thousands of Danish champions visit rural areas during the annual Open Farms weekend to see what life is like for the man on the land.

They pet baby ducks, bottle-feed little sheepses and have a go on the tractor, that sort of thing.

Unfortunately, this year they were treated to the SMELLIER side of rural life when this bloke was COPIOUSLY SHAT-ON while being filmed by a TV news crew on a farm in Klovborg.

Ukrainian farmer Igor Jub was in the middle of explaining where milk comes from, when one of the mooers – probably pissed off that she wasn't getting equal air time – PROJECTILE CRAPPED all over him.

Igor managed to laugh it off – well, SCRUB IT OFF, really – but we bet he ate steak that night.

Kinda makes ya wanna work in a bank, eh. ■ Picture

Gemma Edwards / Lipstick Syndication

WHEN Kagney Linn Karter was only six months into her porn career – this would be back in 2008 – some prophetic genius made the prediction that she was gunna be huge.

Well, maybe you didn't have to be a genius to give that tip.

One look at her and you would've bet the farm that she'd be a big star one day.

HER STORY, FROM KAGS TO RICHES!

WorldMags.net

Seven years, over three hundred fuck scenes and about a million award nominations later, she's bloody PORN ROYALTY.

Plus she's got about the best set of 36D bolt-ons we've ever seen. And we've seen a few.

The NICE thing about Kags is the way she's always seemed so damn happy about her life in porn.

"I was totally ready," she reckons, talking about her first filmed fuck scene shoot at the age of 20. "I wasn't nervous at all. I was really into it and ready to go."

And the novelty hasn't worn off with time. The little champion reckons she even has the odd wank over her own stuff.

"Sometimes my fans will send me a little clip or something and I'll think 'that's fucking hot!'" she says. "So I can say that, yes, every once in a while, I've

WorldMags.net

busted a nut to my own scenes."

And even when she's not FLAT OUT busy rooting PROFESSIONALLY, Kags reckons she loves to GET IT ON in her spare time.

"I had an orgy with some friends," she recalls. "It was four girls and three guys, none of us were in a couple, we were all horny and decided to go at it. We woke up in the morning and had a lot of fun talking about it. To this day, it's a fond memory that we all share."

SELFIE INFLICTED

YOU'RE safer swimming with white pointers than taking a selfie, according to the latest statistics. So far in 2015, 12 people are known to have CARKED while snapping a piccie of themselves on their mobiles, while only eight have been munched by Noahs. Selfie-related deaths include falling off cliffs, being trampled by bulls, being zapped by overhead railway lines, accidentally shooting while posing with a gun and, best of all, two geniuses in Russia who took one of themselves posing with a hand grenade – with the pin out. Clearly, selfie-takers are an evolutionary DEAD-END.

#253 WE DREW A COCK ON IT

SLIPPERY CUSTOMER

A WEIRDO in England has been banned from kiddies' play grounds after being spotted trying to fuck a slippery dip. Chris Johnson, 46, was arrested after "simulating a sexual act with a slide" in a park in Stoke, Staffordshire.

He pleaded guilty in Coventry Magistrates Court to "outraging public decency" and received a three-year Criminal Behaviour Order which prevents him going anywhere near including parks, leisure centres, swimming baths or recreation grounds where there is a slippery dip. It wasn't the bloke's first go at it, either – he was arrested for molesting a similar piece of playground equipment in a different park busted in July last year. Fuck knows what'll happen if he ever gets on the swings.

WorldMags.net

REVVED ON CAFFEINE!

THIS is just the thing to get your motor running first thing in the morning – the world's coolest coffee maker.
Based on the design of a vintage F1 motor, the Espresso Veloce comes in eight, 10 or 12-cylinder models and uses those little capsule doohickeys to make your go-juice. You can even super-charge your java with its special booze dispensing system that infuses your cuppa with the hard liquor of your choice. Talk about high octane! It comes from Italy, where they know a bit about fast cars, strong coffee and brandy for breakfast, and all it will set you back is about AU$11,000, give or take a peso.

BBQ SAUSAGE

DICK owners, cross your legs now. A woman who burnt her boyfriend's cock with a hair straightener has received a suspended jail sentence in an Adelaide court. Bronwyn Parker, 22, pleaded guilty to "recklessly causing serious harm" after giving the bloke third degree burns to his schlong. The court heard she was punishing HIM for being unfaithful, and he had agreed to punishment. She clamped his old fella between the two arms of the hair-torturing device, leaving it "swollen, blistering and pus-sy, and black in colour". The court heard it may take two years for the innocent penis to fully recover.

A SPIDER DID THIS

Don't worry. It's just a scratch.

A SEPPO mum jumped out of a moving car, leaving her nine-year-old kid inside, when a SPIDER jumped on her shoulder. GUTLESS WONDER Angela Kipp, 35, was backing out of her driveway in Syracuse, Indiana, when the FRIENDLY ARACHNID cosied up to her.

She bolted out the door, leaving her son inside, and the car rolled down the street and into a school bus. There were no kids in the bus, luckily, but the Kipp kiddie suffered minor head injuries. No word on what happened to the spider. We do hope it wasn't hurt.

YE OLD FUCK

WHAT is believed to be the earliest printed use of the word "fuck" has been found by a Pommy egghead. Paul Booth, historian at Keele University in the UK, found three examples dating from 1310 and 1311 of a man referred to in legal documents Roger Fuckebythenavel. Booth reckons it wasn't his real name, but a nickname given 'cos he was such a FUCKWIT he didn't know where to stick his dick. Anyway, ol' Rog came up on some serious charges and declared an outlaw, meaning he could be killed on sight.

HUMP DAY

Fat-arsed whale bellyflops on tourists

DID you ever play bombs in the pool? Y'know, that thing when some fat kid who can't swim very well is in the pool, and everyone chucks big bombies next to 'em until they get all teary and nearly drown?

Well, don't ever play THAT with a humpback whale, 'cos the MASSIVE CUNTS will always win, and possibly hurt you terribly.

This couple was kayaking merrily around in the ocean off Moss Landing, just north of Monterey, in California, when a playful humpy JUMPED ON TOP OF THEM.

The big spouty champion was probably just showing off for the whale-watching boat from which these HIGHLY AMUSING photos were taken.

"All of a sudden, this massive, whale does a full 180-degree breach and lands stomach first either right on top of, or right next to, two kayakers," said captain Mike Sack of Sanctuary Cruises.

Brushing aside TEARS OF LAUGHTER, Mike raced over to see if the kayakers were OK, which they were. "It was the most extraordinary thing to happen to me," said Tom, one of the LUCKY FUCKERS. Picture

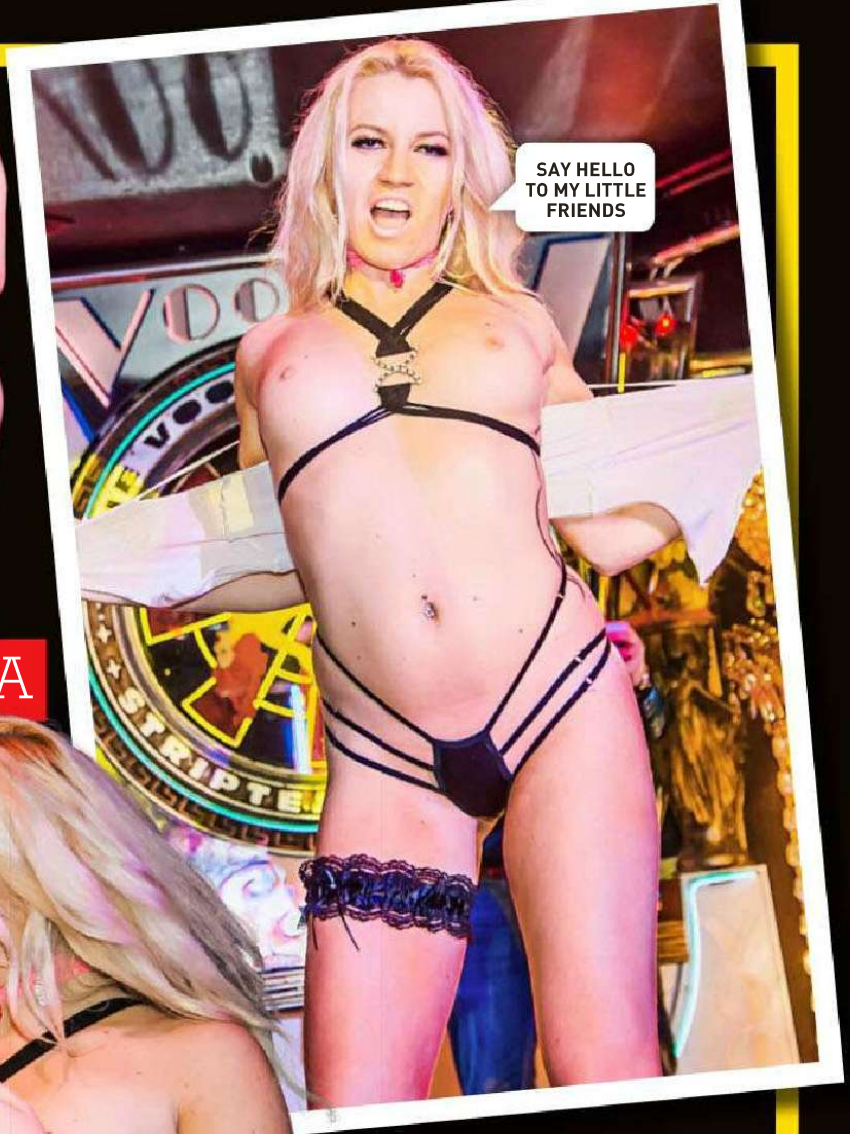
wonderful wobblies of WA



'TWAS the BREAST of times, readers, when the 2015 Best Breasts in the West competition was held at that scintillating pagoda of pupitude, Perth's renowned Voodoo Lounge.

Natural or bolt-on, all were welcome at this Olympics of tit-dom.

First, there was the amateur section, full of nervous first-timers in flimsy T-shirts to which the Boob Handlers applied water to discern NIPPLEAGE.

The winner of the category of Amateur Real was Amanda, and the Amateur Fake champion was Sarah. Congrats to both.

Then it was the turn of the professionals, and FINGS got rather SCIENTIFIC as the Breast Inspectors laid on the micrometer to measure nip diameter and the Bounce-O-Meter to determine RECOIL.

Accuracy, angle and NIPPLEATION were all SCRUPULOUSLY determined under the supervision of our very own Trinity, who was flown in specially for the contest.

She held her own admirably, although every bloke there would have been happy to do it for her.

Ultimately, Indica Trixx was the winner of the Professional Real section, while Nina Grey was the Professional Fake winner. Bless 'em all! ■ Picture

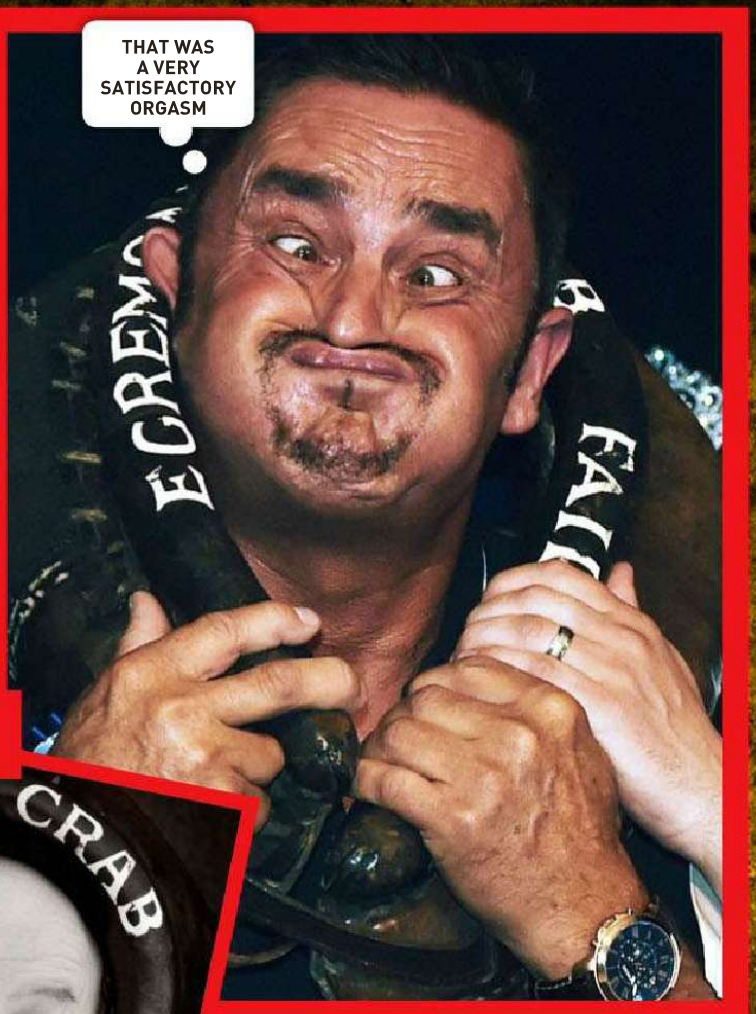
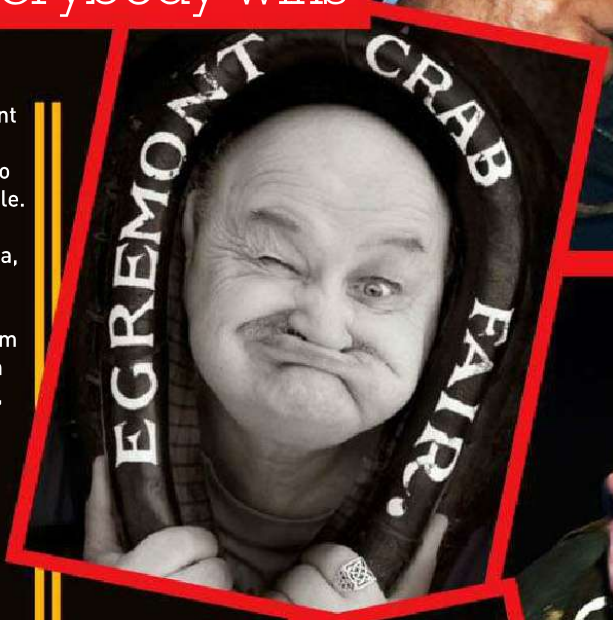
comp – and everybody wins





GURNING is an ancient game in which the competitors strive to be as ugly as possible.

Naturally, it was invented in Pomgolia, where it's still very popular to this day.

In fact, they proudly proclaim the annual competition held in the English town of Egremont, Cumbria, as the WORLD CHAMPIONSHIPS of the port.

Some competitors train all year to get their mugs looking SHITHOUSE enough to stand a chance in the comp; to others, it comes ALL TOO NATURALLY.

There are rules – each contestant must stick their scone through a horse collar when it comes time for their TURN to GURN; no make-up or ADDED DEVICES are allowed.

False teeth are OK, but only if your REAL ONES have already dropped out, which gives native Pomgolians a major head-start.

And it's considered cheating to KICK YOUSELF IN THE NUTS prior to competing.

This year there was a major upset when Gordon Blackloack beat out 16-time winner Tommy Mattinson for the title.

Maybe Tommy's getting more handsome with age. There goes his career, then. ■Picture

DANGER WIDE LOAD

Abella Danger's arse is BIG in porn

A BIG, beautiful arse and an enquiring mind are the two elements that have seen Abella Danger become the new "hardest working girl in the porn biz" over the last year.

Like many impressionable young girls, the Florida-born 19-year-old once regarded her beaut backside as a LIABILITY, but once she learned to love it, there was no looking back, except maybe to blow it kisses.

"Once I began my adolescence, I really started to embrace the features that made me unique, like my butt," she recalls.

"I just hated it; boys said I walked like a duck. But once I was 15, I realised it was a good thing to be different."

Of course, it was a fair while later when Abella made the jump into porn, but once she did – when an ex-boyfriend convinced to video a few ROOTS with him – she reckons she took to it like a BIG-BOOTIED duck to water.

"I guess I was somewhat experienced with sex. I mean, I knew how to fuck," she giggled.

"I truly loved that, once the camera started rolling, this alter ego came out, this slutty little thing. And the best part is – no judgement for it!

"I may have fallen into porn by accident, but it was meant for me." Picture

AURORA SNOW & CLARE DANES

Award-winning actress Clare has never – as far as we are aware – been thoroughly boinked by five huge porno cocks at once. Porn star Aurora has never appeared with Leonardo di Caprio in a Shakespeare remake. But they do look a lot alike.

ESPERENZA GOMEZ & SOFIA VERGARA

Now here's a co-inky-dink - as well as looking so alike we got a head-ache trying to figure out which was which, *Modern Family*'s Sofia Vergara and Esperanza Gomez, star of around 30 hot porn titles, are both from Columbia. Just thought we'd point that out.

TRINA MICHAELS & CHLOË SEVIGNY

Chloë Sevigney's career veered close to porn when she gave her co-star Vincent Gallo a real blowie in the movie *The Brown Bunny*. Of course, Trina Michael's been sucking cock pretty much through her whole career. Anyway, it's nice to know they have something in common other than their looks.

WorldMags.net

SADIE WEST & EMMA STONE

Spunky Sadie West began as a gym coach for pre-schoolers and ended up taking hard cocks every WHICHAWAY. Emma Stone, on the other hand, made her debut in the film *Superbad*. She was, by FRUITY coincidence, born the VERY same year as Sadie, 1988.

FRANCESCA LE & EVA LONGORIA

They're both American-born Latinas, they both have that hot-blooded, firecracker appeal, and we wouldn't kick either of 'em out of bed. But only one of these ladies has her name on 641 pornos as a performer and 142 as a director. Can you guess which one, readers?

WorldMags.net

LAVISH STYLES & RIHANNA

Which one's which, you're probably asking yourselves. We can hardly tell, but we have it on reliable authority that porn star Lavish is the one with the flower tatt just above her smoo. So if you do run into Rihanna, ask her to show you her smoo just to prove she's ain't Lavish.

JANA JORDAN & TAYLOR SWIFT

If you see someone that looks a HELLUVA LOT like Taylor Swift munching pussy in movies called, say, *Girls Banging Girls* or *Her First Lesbian Massage*, it PROBABLY won't be her. It'll be her so-close-it's-scary look-alike, porn star Jana Jordan.

She got the booty, she got the beauty, but unfortunately for porn actrine isis Taylor, she doesn't have Beyoncé's money. And this is despite working on more than 150 porn titles in her seven-year career. But we bet she can still get into nightclubs for nix cos they think she's HER.

VIOLET MONROE & SOPHIE TURNER

It'd be a toss-up as to which of these two rangas have seen the most bizarre, full-on sex action in their working lives – Sophie, who plays Sansa Stark in *Game Of Thrones*, or Violet, who has starrred in such memorable porn classics as *Lil' Gaping Lesbians 3* and *Anal Freaks 2*.

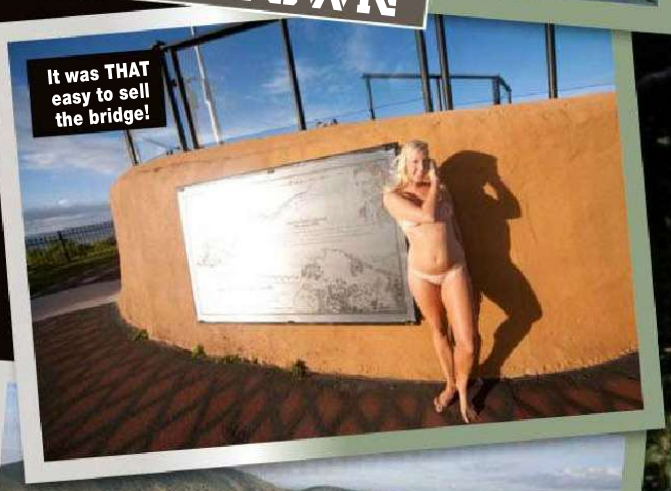
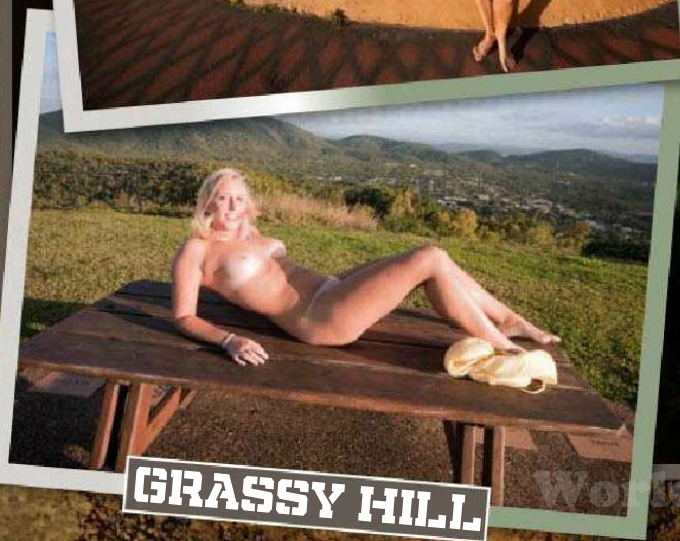
COOKTOWN





GRASSY HILL

AUSTRALIA is well endowed with crap tourist attractions like the Big Potato, which looks like a GIANT GROGAN, and a big model of Uluru, which is actually a lot fucking smaller than the real thing.

A quick look at these pics, and Tourism Australia will be on the blower asking where the bloody hell they can sign 24-year-old Belgian backpacker, Barbara, who has draped her SMOO over a bunch of otherwise pretty lame landmarks up in North Queensland.

"I found it exciting and naughty to pose at the tourist sites," reckons Barb, whose PANTS-FREE antics will no doubt see her join the huge list of well-known Belgians, such as... um, we'll get back to you on that.

How did you plan your attack?

"We always had to wait until the tourist turned around or left. If only they knew the real reason of our visit."

What sites have you STRIPPED OFF at?

"The Airlie Beach road sign, the Big Mango in Bowen and on the highway to Townsville. And a lookout at Inkerman, a bridge over the Burdekin River, the Frosty Mango and some train tracks at Cardwell. Then at an art gallery in Cairns, the Cairns Terminal and Black Mountain going towards Cooktown."

Whew.

"Then all around Cooktown."

The Chamber of Commerce will be thrilled. Aside from posing nude, did you get to BUMP UGLIES outside?

"Not this time. But I have had sex in public before. Once I did it on a public bus. Me and my boyfriend were on the way back to his place after a party, but couldn't wait. We sat in the back of the bus and I was wearing a short dress, as it was summer. There were a lot of drunk people on the bus so no-one was really paying attention to us."

Have you NUDED UP around Belgium?

"No, I like it because it is secretive and no-one in Belgium knows. I can be super naughty in Australia. It is all part of my super Australian adventure."

Keep it up, Barbs. Picture

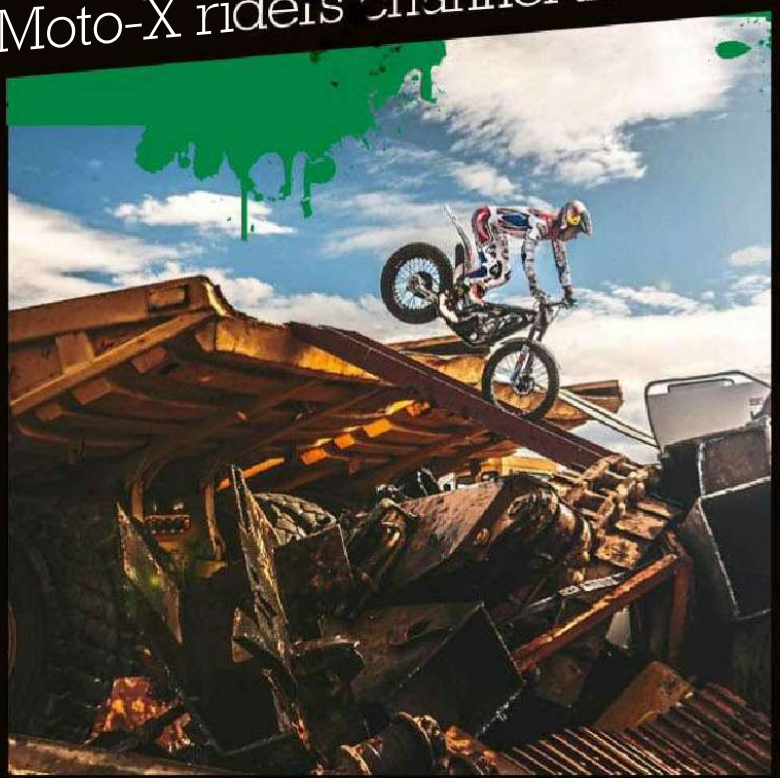
DIRT DREAM

Moto-X riders channel their inner council worker blokes!



BEING world-beating motocross riders, Spaniards Adam Raga and Alfredo Gomez lead lives full of glamour, excitement and hot podium chicks drenched with champagne.

But deep down inside, what they both always really wanted was to get behind the controls of some big, yellow earth-moving equipment and SHOVE SOME DIRT AROUND.

Sadly, their commitment to the motocross circuit, not to mention those champagne-soaked spunks, has meant that UP UNTIL NOW, their dreams were UNREALISED.

But they did get to fang their chook-chasers through a scrapyard full of old bull-dozers recently, possibly with an eye to chucking all the motocross bullshit aside and become full-time COUNCIL WORKERS.

'Cos as good all the whoop-ti-fucken-do of international motocross competition undoubtedly is, what with all the BOOZE-DRENCHED BABES and what-have-you, for a real bloke, nothing ever beats DIGGING A HOLE.

So DREAM ON, Adam and Alfredo – one day, you just might make it.

NO SMOKING

BY FILMING this superstar skateboarding session in a YOOOOJ field of cannabis somewhere near Toowoomba, Queensland, the team at Aussie fashion label Afends hoped to send a message to young Austraalians. And the message is that HEMP is GROUSE. Erm... FOR MAKING STUFF OUT OF, we mean. T-shirts, boardies, three-piece suits, BLANKIES, all manner of beaut, wearable stuff can be made out of the wonder fibre. Afends recuited Aussie skateboarders Boyd Young and Bibi Bradbury to thrash around in this half-pipe surrounded by hectares worth of mega-dope plants to promote their hemp clothing range. "What better setting to capture our hemp campaign than some hemp fields?" they announced, and we can't argue with that. And before you head out that way with a crate full of rollie papers and your favourite beanbag, this stuff ain't any good for smoking. It's just for wearing. So... y'know... Don't.

IMPIN' AINT EASY

WHEN I came back from a work trip and found out my girlfriend had acquired a live-in gimp. And she wasn't rooting the gimp either, he just got off on being her slave. I got sick of how weird my life was getting, so I moved out, leaving her and the gimp together. But in the weeks before I moved out, me and the gimp became real good mates. She's now made him give her all of his life savings and I feel really bad for the bloke. But he's such a pussy that I don't think he'll leave or ask for his money back. How can I make him see that she's taking advantage of him?

TRINITY SAYS: ***No fucking way! Ultimate gimping, your wife is elbow deep in this shit. I'd sit her down and tell her what she's doing is wrong. But at the end of the day, mate, he might be a submissive and he knows, or should know, the limits and is responsible for any situation he gets himself into.***

SECRET SNIP

MY MISSUS wants to have five kids. We've already had two and to be honest, I wish I hadn't. Now we have no spare time and we're struggling to pay for these two. I'm thinking of having a footy "accident" where I go and get a vasectomy without her knowing. I'll tell my wife I got kicked in the crackers playing footy to explain the bruising and stitches. What she doesn't know won't hurt her, right?

TRINITY SAYS: ***Dude, honesty is always the best policy! If she doesn't understand then she's being selfish. It's not like you've given her no children. The man has a choice too. Do what you want, mate. If you're struggling with two, then definitely no more is the answer.***

HAIRY PRE-DICK-AMENT

HAVING hair on my balls I get, but having hair going halfway up my cock seems a bit off. It's nowhere near as thick as the hair on the balls, but is this normal? All the blokes in pornos

have no fucken pube hair at all.

TRINITY SAYS: ***That's because they remove that shit! Use hair removal cream rather than shave though because shaving can become spikey, thicker and not as pleasurable for the woman. It is relatively normal, but to a lesser extent. If you're not happy, get rid of it!***

HAIRY QUESTION

MY WORKMATES and I were just wondering if you'd be going blonde again anytime soon? Our fave pic of you is all fucked up with what we believe to be grease! Don't worry, we didn't get any in your hair, we know that pisses you off.

MICK, CAIRNS, QLD

Trinity says: ***Ha! Mick, I'm contemplating it. Thinking of going back to short too. Short, blonde and sassy. Then again, my red was also pretty killer, so who knows. The only thing I don't like in my hair is chewy – otherwise, grease me up and throw me to the lesbians!***

SCRATCH THAT

I'VE started dating this girl who scratches my back while we have sex. At first it was kind of sexy, but now it really fucken hurts. Sometimes she'll scratch me so hard that I bleed. I told her to stop and she got super grumpy and didn't want to bang anymore. Outside the bedroom, she's heaps friendly and we get on great. What should I do?

TIM, VIA EMAIL

Trinity says: ***Stand your ground, mate, if you don't like something – don't do it. Or better yet, give her a taste of her own medicine and see how much she likes being scratched until she bleeds. My bet is she won't enjoy it, and that'll make her stop.***

COOKING UP A STORM!

MY WIFE and I are a pretty kinky couple and one of our fave things is to get naughty in the kitchen. We started off smothering each other in peanut butter and getting the other person to lick it off. But we've since started using things like carrots and cucumbers as sex toys. Trin, have you ever used food items for pleasure? What would you recommend? We're very adventurous!

MATTY P., RICHMOND, VIC

Trinity says: ***Love the creativeness guys – keep it burning! But make sure to wash all veggies before insertion. I hear being jerked off by the smooshie inside of a mango skin is epic. Try that, and then use the rest of the mango on your lovely lady!***

TRINITY'S SEX TIP

Don't cum on anyone's face without getting permission beforehand... Just because you saw it on the internet, doesn't mean you can do it too.

PUSSY PATROL

MY BOYFRIEND is a real nice guy, but I think he's a bit of a pussy. He's always apologising to people and getting pushed around. We were at a restaurant the other night and they served him the wrong meal, but instead of handing it back, he ate the whole thing just to be polite! Am I allowed to tell him to man up?

NATASHA, MILDURA, VIC

Trinity says: ***Wow! Girl, I think you're a bit of a rude bitch. If he wants to eat the wrong food, let him. If he wants to be courteous or polite, let him. The main thing is when it comes to crunch time for him to man up, e.g. protecting you or himself or standing up for something he believes in, that's when it matters and that's what "manning up" is really about!***

MOUTHING OFF

I HAVE a problem that I'm hoping you can help me with. I was rooting this bird the other night when she starts talking dirty, not like being sexy, but saying things like "You fat shit!" and "Fuck me harder, ugly man!". Maybe I'm being precious, but it really upset me. Is this just normal dirty talk that I don't know about?

SAD SAM, VIA EMAIL

Trinity says: ***Hmm, it's definitely not the usual. Calling someone fat and ugly is, aside from extreme fetishes, not sexy pillow talk or standard bedroom kink. Just ask her to say something different, and that you don't like it. But if you don't speak up – that's the main problem.***

THE BLACK LIST

DEAR Trinity, me and the lads were wondering what you reckon about blokes who keep a list of all the chicks they've rooted. We think it's pretty normal, but one of the boys' missus says we're all fucked in the head. Who's right – us or her?

GAZ AND THE BOYS, VIA EMAIL

Trinity says: ***I keep a list; well I did up until a couple of years ago. I think it's great to remember all the lucky ladies you've encountered. Who the fuck is your mate's missus to judge what's normal or fucked up? When you're old and can't get any, you can look back and think of all the beautiful ladies you once had – well that's why I keep my list!***

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

THIS bloke had had an absolute GUTFUL of his local Greek joint and decided he wanted to go out and find himself some quality Mediterranean tucker. He hadn't gone far though when he slipped and, to put it bluntly, fucked himself up.

The poor bugger fell directly onto a steel rod, which ended up skewering him straight through the testes. The rod didn't pop out 'til it RIPPED through the top of his shoulder, turning him into a HUMAN SHISH-KEBAB.

His buddies at the Singaporean construction site must've licked their lips and thought 'YOU BLOODY BEAUTY' before sending off the apprentice to grab some garlic tzatziki, a coupla tomatoes and a bottle of Ouzo.

Luckily for our skewered friend, the workplace health and safety folk turned up just in time and whisked him off to hospital. Where, after taking a quick snap on their camera phone, they put their heads together and tried to work out what the fuck they're gunna do.

We reckon just pop a bit of eggplant and a few pieces of feta cheese on either end and he'll be right as rain. Well, maybe not, but he'll have that Greek meal he wanted.

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

A SNACK AT SMOKO

FISH and chips and free pot equals munchies, and possibly the sale of more fish and chips. Ain't the capitalist system wonderful?

LEN, BOOVAL, QLD

MUNGO SAYS: It does occur to me that down there in Vicco, they do call a small glass of beer a pot. That said, I can be as much a starry-eyed dreamer as the next bloke, so if you want to believe it's free smoke with lunch, I'll go along with that. Amazingly low price, too. Although it's probably shark. And frozen packet chips. And low-grade bush weed. Still, times are tough, so bargains are always welcome. Capitalism rocks!

NOW, BEND OVER

RE YOUR Mungo Wants To Know in #1386, I reckon being a customs officer would be pretty horny job for a woman, especially a lezzo. Imagine being able to go through women's suitcases and handling all their bras, panties and whatever else one might find in a lady's suitcase? Dildos? Fruit-flavoured lube? The list is endless.

GAZZA, KINCUMBER, NSW

MUNGO SAYS: You've obviously put a lot of thought in to this, although I can't say I've ever seen a sexy customs inspector. Mostly, they just look tired and pissed off. If I ever have the body cavity inspection, I'd prefer it were done by a Kate Upton look-alike than some sour-faced old bag with big knuckles.

BACK TO MOOT-STOCK

I"VE been watching movies of all hippie music festivals like Woodstock and that, where these hippies chicks are bopping around in the nude with their big bushy moots, and I was thinking it would be beaut if THE PICTURE did a retrospective of bushy-mooted hippie chicks. The only flesh you see at music festivals these days, apart from the gym-junky blokes flashing their abs, is the occasional tit flash, not full-on nude-o-rama like it was back in the day.

Maybe THE PICTURE could kick-start a new/old trend.

R.W., DUNSBOROUGH, WA

MUNGO SAYS: Back in the day, the hippie chicks didn't give a fuck, they just nuded up and boogied on. The bushes were beaut, although the hairy armpits were a bit off-putting. Oh well. Take the rough with the smooth, I say. So yeah, it'd be great if that sorta thing came back. I might even drop the trackies and rock out with me cock out if it did, so be warned.

WE LOVE LUCIE

CUTE little munchkin and PICTURE model Lucie Bee has become the spokesperson for sexual stuff in the media, and I like what she said about the wankers who campaigned to get ZOO closed down, and who are now probably on THE PICTURE's case. I know she's been in the mag a few times, so what do you reckon, Mungo? Maybe we could see some more of her?

M.K., GLADESVILLE, NSW

MUNGO SAYS: The great thing about Lucie is that she won't shut up about stuff once she's got a bee in her bonnet, which is probably why she chose that name. She oughta be a senator or something. Keep at 'em, Luce!

DIRTY BOOKS

G'DAY Mungo, re your question in *Readers World* #1386, in my humble opinion, the horniest profession for a sheila is a librarian. Especially one called Prudence, in a tight skirt, with pert titties, hair up high with a couple of stray tendrils hanging down and glasses on, with her beautiful eyes just looking over the top of them. Do me a favour and arrange the shoot. And mate, and if you need an artistic assistant or nipple fluffer during the shoot, I'm available!

STEVE, NO ADDRESS GIVEN

MUNGO SAYS: Funny, everyone's always available for those sort of jobs. But I'm with you on the quiet, nerdish, sex-pot type who hands out the books. Funny how you never see them from the waist down, but. They could be sitting behind that high desk with nothing on but a G-string squeezed up their crack. At least, that's what I used to think when I went to the library. It's been a while. They probably don't even have librarians anymore, let alone horny ones in G-strings. Sad, really.

MUNGO WANTS TO KNOW...

Readers, I want your photos of the following – stuff made from beer cans/bottles, people reading THE PICTURE in exotic locations, and if you girls wanna flash your tits, I'd like that too, As always, $100 for every pic I use.

You're Joking

A PRIEST, a doctor, and an engineer are playing a round of golf, but they are stuck behind an incredibly slow foursome. They keep waiting and finally the groundskeeper drives by, and they ask him what's going on with the group ahead.

He explains that the group ahead is made up of four firefighters that, when putting out a fire in the clubhouse a few months earlier, had been blinded by an explosion, and to repay them they are allowed to golf whenever they want.

After hearing the sad news about the four firefighters, the priest immediately says, "I will certainly pray that these brave men may regain their sight."

The doctor replies, "I will talk with my colleagues regarding new research developments for injuries just like this."

The engineer asks, "Why don't they just play at night?"

A MORMON was seated next to an Irishman on a flight from London. After the plane was airborne, drink orders were taken. The Irishman asked for a whiskey, which was promptly brought and placed before him. The flight attendant then asked the Mormon if he would like a drink. He replied in disgust, "I'd rather be savagely raped by a dozen whores than let liquor touch my lips." The Irishman then handed his drink back to the attendant and said, "Me, too. I didn't know we had a choice."

MY WIFE routinely turns down my sexual advances because she has headaches.

Feeling particularly horny last night, I prepared for that scenario. As she joined me in bed I asked her if she would like to make love. She declined with her usual headache.

I carefully pulled back the bed-sheet, exposing my erection, which was dusted in a white powder. Somewhat intrigued, she looked closer. "What the hell is that?" she asked.

"Babe, it's aspirin. You can take it orally or it might work better as a suppository."

A BLONDE walks into a pharmacy and asks the assistant for some anal deodorant.

The pharmacist, a little bemused, explains to the woman they don't sell anal deodorant, and never have.

Unfazed, the blonde assures the pharmacist that she has been buying the stuff from this store on a regular basis and would like some more.

"I'm sorry", says the pharmacist, "We don't have any!"

"But I always buy it here," says the blonde.

She finds the container and hands it to the pharmacist who looks at it and says to her, "This is just a normal stick of underarm deodorant."

Annoyed, the blonde snatches the container back and reads out aloud from the container "To apply, push up bottom."

Suzie's not as innocent as she looks!
IT'S SUZIE ALL THE WAY DOWN

"I WANT A GUY TO GO FOR IT"

EVERY once in a while we come across a babe SO HOT that we're legally bound to show all of Australia what she looks like without her clothes on. Suzie is one such stunna.

Last time we had a yak to her (#1282) we discovered she wasn't living up to the redheaded reputation of being as sex-crazed as a THREE-BALLED STAFFY. But happily, she's making up for lost time.

"I've been having a lot more sex since our last chat," admits the 24-year-old. "I was in a bad relationship, but that's all changed now."

But, HALLELUJAH! You're a changed woman!

"Yep, my confidence has risen, and I'm now very comfortable in my own skin and have been making the most of the allure of my beautiful body."

www.1stmags.net

So you've been seducing poor, innocent men?

"I wouldn't call them that, but I guess I now know what I want and I'm not afraid to ask for it."

What exactly is it you want? A new lawnmower? 'Cos we know a good outdoors place...

"Um, no. I was actually talking about sex."

Oh, even better – well, what are you looking for in the sack?

"I like a man who's good with his tongue, I absolutely love having my pussy licked. I want a guy who's confident, who'll just go for it and bury his face between my legs and lick like there's no tomorrow."

Like an ALL-YOU-CAN-EAT breakfast buffet?

"Exactly. I want him to spend hours down there, making me feel great."

Ever invite chicks to feast down there?

"I've only ever been with one woman. She was my friend from high school, and we bumped into each other one night

out on the town and got chatting and reminiscing and, yeah, things went from there."

Where? Where did they get to?

"Back to her place. We were just going to kick-on with a few others, but they all fell asleep and we ended up making out for a while then going to her bedroom where she went down on me."

How'd it compare to a bloke's tongue?

"She definitely knew where to lick, but I dunno, I think I prefer the unpredictability of a guy."

PHEW, thought we were about to be replaced!

"Oh no, men will always be my number one."

LUCY

HONG KONG, ASIA

POPULATION: 7.25 million
LANGUAGE: Chinese, English
AVG. BRA SIZE: 32C

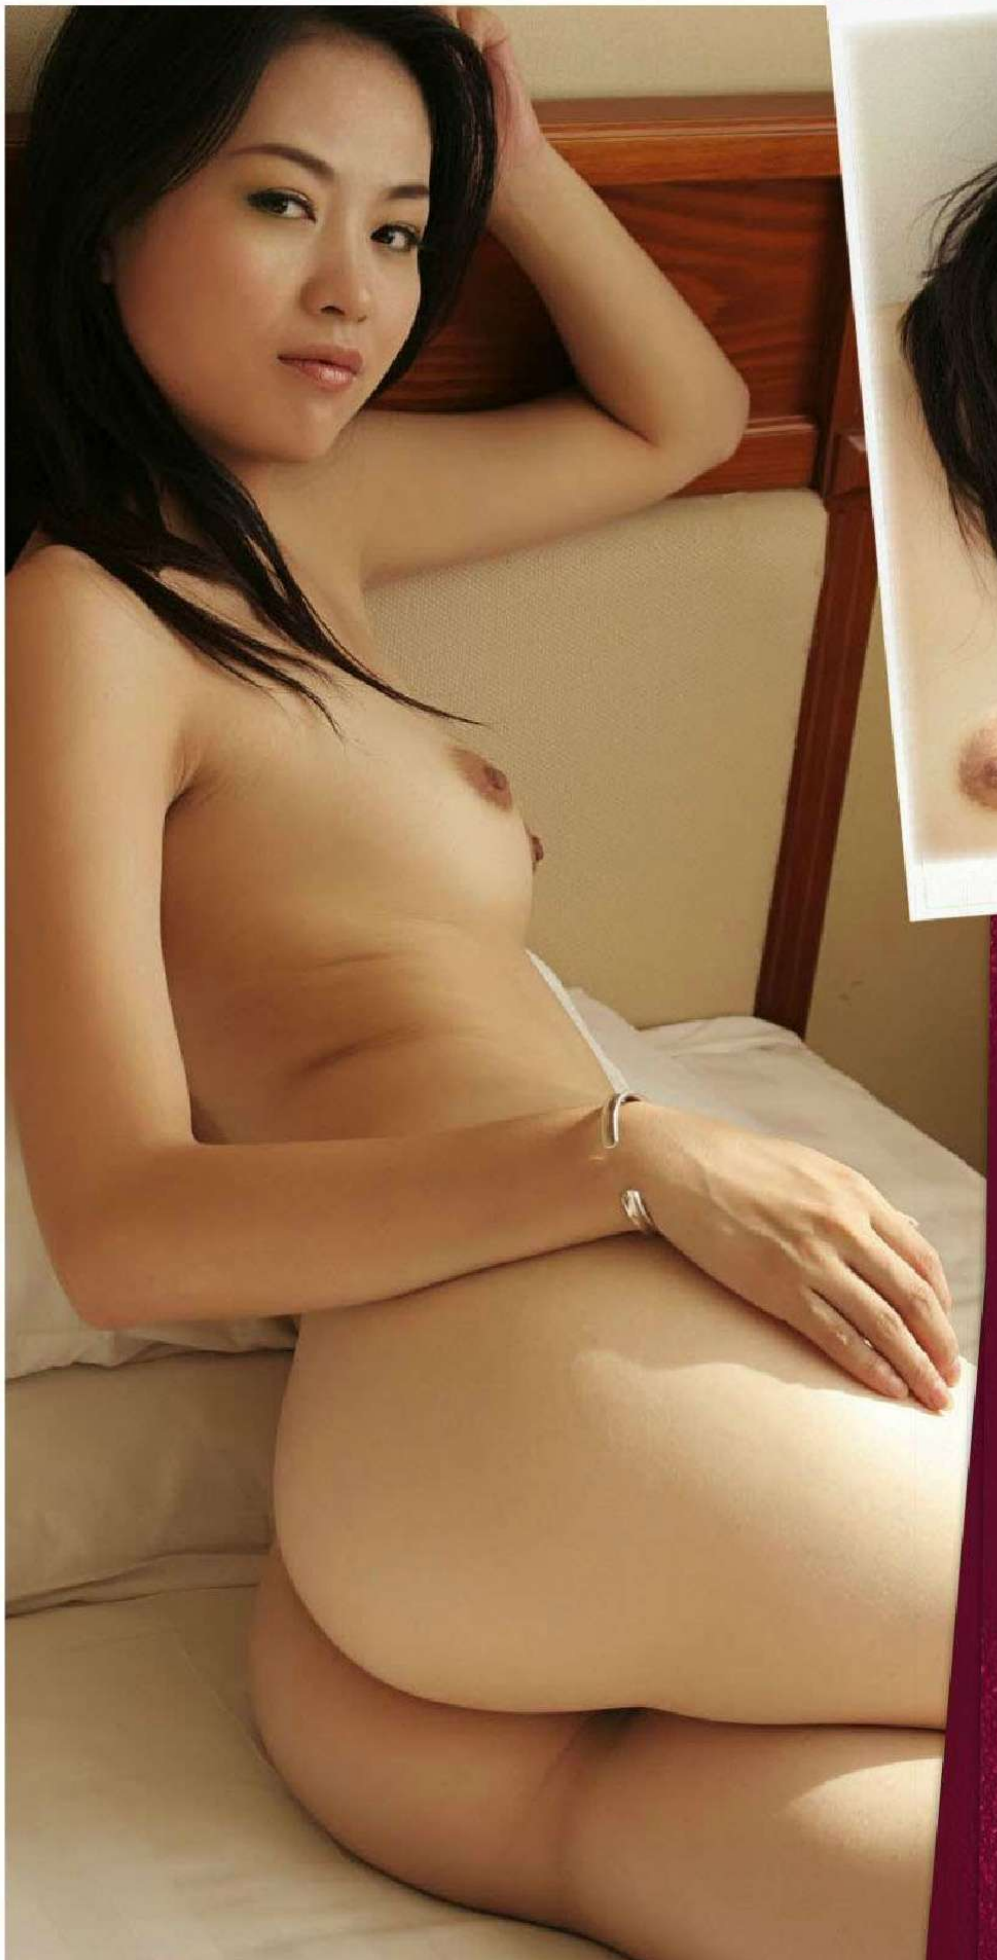
HONG KONG – DIDN'T THAT USED TO BELONG TO THE POMS?
Yeah, but their lease was up in 1997 and they handed the keys over. They got their deposit back, too – apparently they'd kept the joint very neat.

WHO'S RUNNING THE JOINT?
The Chinese. It's officially known as the Hong Kong Special Administrative Region of the People's Republic of China. Try getting that on a fucken T-shirt!

SO WHAT'S LUCY'S STORY?
Full time uni student, part-time nudie model, Lucy hopes to one day be a Wall Street banker and rule the world. For the time being, however, she's paying her uni fees by waving her impossibly pert tits and furry little beaver in front of the camera. Beats workin'!

AH YES, HER BEAVER – IT SEEMS THAT HONG KONG IS WAY BEHIND THE REST OF THE WORLD IN THAT DEPARTMENT.
Or way ahead! For a people that are generally not overly hairy, the Chinese have a fondness for the natural-looking moot. As you can see, it really works in Lucy's case. While the rest of the world has gone nuts for the Brazilian, the people of Hong Kong – known as Hong Kongers, hilariously enough – have retained a deep fondness for the hairy smoo.

WorldMags.net



SURELY WITH HER WORLD-BEATING SPUNKINESS, LUCY COULD HAVE A CRACK AT BEING IN THE MOVIES.

Certainly she could. Other locals such as Jackie Chan, John Woo and Chow Yun-Fat have all done very well in the motion picture business, but she is determined to get her MBA and conquer the world via a desk at a merchant banking company.

SO THIS MAY BE THE ONLY TIME WE EVER GET TO SEE HER NUDE?

Could be. All the more reason to loosen up the arm and make the most of her while you can.

WOULD LUCY BE OFFENDED IF WE... Y'KNOW... OVER HER PICTURES?

Nah. In fact she'd be DEEPLY FUCKEN offended if you didn't. So get stuck in. ■ Picture

My Threesome

BAND OF BROTHERS

I HAD been going out with this guy for a couple of months, and he was just what I wanted – tall, clean-cut, handsome, big puppy dog eyes and a big, solid cock to play with. The only problem was that I was used to mucking around with a lot of guys and just sticking to him was giving me a bad case of the itchy pants. If only there was another one of him, I found myself thinking. It turned out there was.

One day I turned up all horny and hot and bothered ready for one of our massive fuck sessions and I nearly fell over when I entered his flat – there was this other guy who was almost the clone of my fella. It was his younger brother, and the resemblance was uncanny.

If anything, the younger one was just that bit more innocent and soulful-looking. I immediately started plotting how to get them both to fuck me. So we cracked a few wines and I flirted like hell with the brother, Brian, every time my bloke, Jason, was out of the room, and vice versa, so pretty soon they were both turned on as hell. I could tell by the bulges in their pants.

When I figured the time was right, I lay down on the couch with my head in Brian's lap and my toes rubbing Jason's cock through his pants. I knew by the dopey look on Jason's face that his cock was getting ready to explode, so when I unzipped Brian's pants and started sucking his cock, there was no argument from either of them. They spent the arvo double-teaming me on the couch, and I was in heaven when I was spit-roasted between their two meaty cocks. Ultimately, I lost track of who was doing what to me, but I didn't care. That day,I lived out one of my wildest fantasies, even though they weren't actually twins.

LET'S HEAR IT FOR THE GIRLS

I KNEW my girl Shay had a bit of a history, and I didn't mind – in fact it always turned me on. But when she said an old school friend of hers was passing through town and was gunna stay with us, I didn't suspect anything. It just never occurred to me that this chick was part of her wild and woolly past. But when Julie showed up at our doorstep, I was pretty impressed. She was tall and dark, with a massive rack, and when she and Shay kissed hello, I was sure I saw a bit of tongue action happening. Anyway, we sat up that night glugging the bourbon until I went to bed to leave them catching up. About 2am, I woke up and Shay still wasn't in bed, so I went out into the lounge room only to find the two of them naked and 69ing on the floor!

I stood there for a minute not knowing what to do, then Shay lifted her head out of Julie's crotch and asked: "Care to join us?" Well, duh! As I chucked off my dressing gown, they manoeuvred around so Julie was kneeling in front of Shay eating her out, giving me a great view of her hairy pussy poking out between her arse cheeks. She was practically dripping, so my throbber slid in easy as, and she really pushing back and gripped my cock with her smoo. The great thing was as I was fucking Julie I was looking over her head at Shay, who was writhing around from the licking Julie was giving her while she played with her own tits. I remembered just in time not to blow my load inside Julie, and pulled out and came on her arse. It was cool when she reached around and rubbed it all over her round globes. We managed a couple more threebies before she took off.

I WAS gunning the crew-cab ute to work near Ballina when I saw two blonde honeys hitch-hiking and swung over to give them a lift. I spend way too much time on the road by myself, so any chance for a yack with a couple of babes is always welcome. I chucked their gear in the back, and then they piled in, one next to me and one in the rear seat. Turned out they were Danish, and seeing Australia on the cheap, and saving money by hitching. Anyway, they wanted to know about the beaches, and one of them asked: "Do you know one where we could go swimming nude?" I told them I knew a spot that was unofficially legal nudey, and they said "Let's go!" At first, I was gunna drop them off and go to work, but when they asked: "Aren't you coming too?" I suddenly felt a case of the flu coming on and rang the boss to tell him I was crook. When we hit this beach and they dropped their gear, it was all I could do from cracking an instant diamond cutter. It was a Monday and there was nobody else around, so after we had a swim and we lay our towels down and they snuggled in close on either side of me. While one was licking my neck the other one started playing with my old fella, then went down on me.

She sucked me long enough to get me hard – about two seconds – then threw a leg over me and slid her juicy moot down on my cock. I was enjoying watching her bounce up and down, when all of a sudden everything went black. I couldn't see a fucken thing, but everything felt – and tasted – great. Then they swapped over and went again.

Afterwards I dropped them at the hostel in the next town, and that was that – my first threesome. Bewdy!

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

FAITH
COTTESLOE, WA

"Honest, caring and compassionate" Faith is a 23-year-old student who does the odd shift at a sex shop. ***We love our local porn shop! What's the weirdest thing you've ever seen while at work?*** "In fact, a sex shop is the most unusual place I have had sex. I had sex with another female in the sex shop with customers coming and going." ***You obviously like a bit of a knickers-down risk.*** "I have had sex outside on several occasions, including outside of a council building and in the school grounds." ***What are the BENEFITS of working in a grot emporium?*** "I certainly watch porn; both lesbian and straight." ***Anyone who'd root ugly Pommy porn star Ben Dover would be pretty kinky.*** "I even did my own porn shoot for a mag with another female." ***A fitting way to take your work to the next level.*** **WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN?** "Nowhere in particular."

"I had sex in a sex shop with a woman"

APPLE
MYALL LAKES, NSW

"I love my work as a nude model," says delicious 20-year-old Thai spunk Apple. ***What a coincidence; so do we.*** "I love modelling and it turns me on that other guys look at my great pictures. Even if the days are long and hot on a sunny beach all day, I end up taking a swim to cool down from the heat. My skin is dark, and I love spending time at the beaches of Thailand and here in Australia." ***Did your guidance counsellor steer you towards this line of work?*** "I started as a nude model when I was 18. One photographer asked me to do some outdoor modelling for him. I ended up doing nude modelling, and then I knew it was fun and I have been busy doing fashion, nude and nude art shoots ever since. I like my curvy butt a lot." ***We're starting a fan club for your BUM at the office, too.*** **WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN?** "In a bar."

"I told him to spank me everytime I bent over"

MILEY
FANNIE BAY, NT

What with all the diggers dying off like erm, elderly people TEND TO DO, maybe Anzac Day has had its run, and it should be replaced with this beaut suggestion from 22-year-old Miley. "The sexiest thing I have done for someone recently was on Steak and Blowjob Day. I was seeing a guy for about three weeks, but was already getting a little bored with him in the bedroom, so I thought I'd spice things up a little." ***You put paprika on his bell end?*** "I dressed up in a small skimpy chef's outfit and told him I was cooking dinner tonight. He was a bit gobsmacked at the outfit, I proceeded to start cooking and handed him a wooden spoon and told him to spank me every time I went in to a cupboard or opened the oven." ***We're not sure that helped with the steak part of the evening. You burned it, didn't you? Don't worry – if we didn't have a kebab joint downstairs, we'd be dead.***

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN? "Not telling."

ANNEKE
CLAYFIELD, QLD

"I work as a camgirl and adult performer, I love it," says 25-year-old Anneke. "I have my own porn production company. I really love my work, I am my own boss." ***So you're NOT the shy, retiring type, then?*** "I love to have sex in the car. And sex outside is fine. I love to do it in the woods." ***Just blokes, is it?*** "Girls, too. Obviously, it's different than sex with a boy. And I think it is better, few men really know how to fuck a girl. Girls have more empathy when they fuck and this is really important, because they worry that the other person is enjoying." ***Maybe you should have a girl and a guy at once so he picks up some tips.*** "My first threesome was a long time ago with two friends. They were a couple, but after the threesome they split. It was sad."

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN? "In a church. It was for one of my porn videos."

KENDALL
FANNIE BAY, NT

"A couple of weeks ago, after a night out in town, me and this guy ended up at this servo somehow," says 22-year-old beachgoer and general SPUNK Kendall. ***Somehow?*** "It was after dinner and some drinks." ***Nothing comes to mind after that, eh?*** "I don't even remember how we got there, but we ended up having sex next to the servo near this huge pine tree, assuming it would hide us." ***We're guessing it didn't.*** "It certainly didn't, because a cabbie rocked up and saw everything; his pants down, my dress up. Ha." ***So, was the cab driver all chatty and EXPANSIVE?*** "No. Not a bit. The cab ride home was kinda awkward." ***We'd be surprised if the driver had both hands on the wheel, that is for sure. Unless he had to pick his nose.***

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN? "Let's just simplify the question, and ask where I haven't. Probably public transport is the only place I haven't done it."

"I recently got all dressed up in a prisoner's costume for a guy," says 35-year-old Emma. ***Lawks! Sounds like fun. As long as it wasn't for an actual life sentence.*** "No, it was for a young teenage love I knew back when I was a teen." ***How did the game of dress-ups end up playing out?*** "We ended up doing it in the sideways position while I was chained up." ***Obviously, he was nice enough to unchain you afterwards, too! He sounds like a keeper. What other costumes do you like to like to deck yourself out in?*** "I like my school girl's outfit. It makes me feel young again." ***You still look like you're pretty young! Were you pretty wild at high school?*** "Not particularly. I had just one or two young loves."

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN?

ALICE

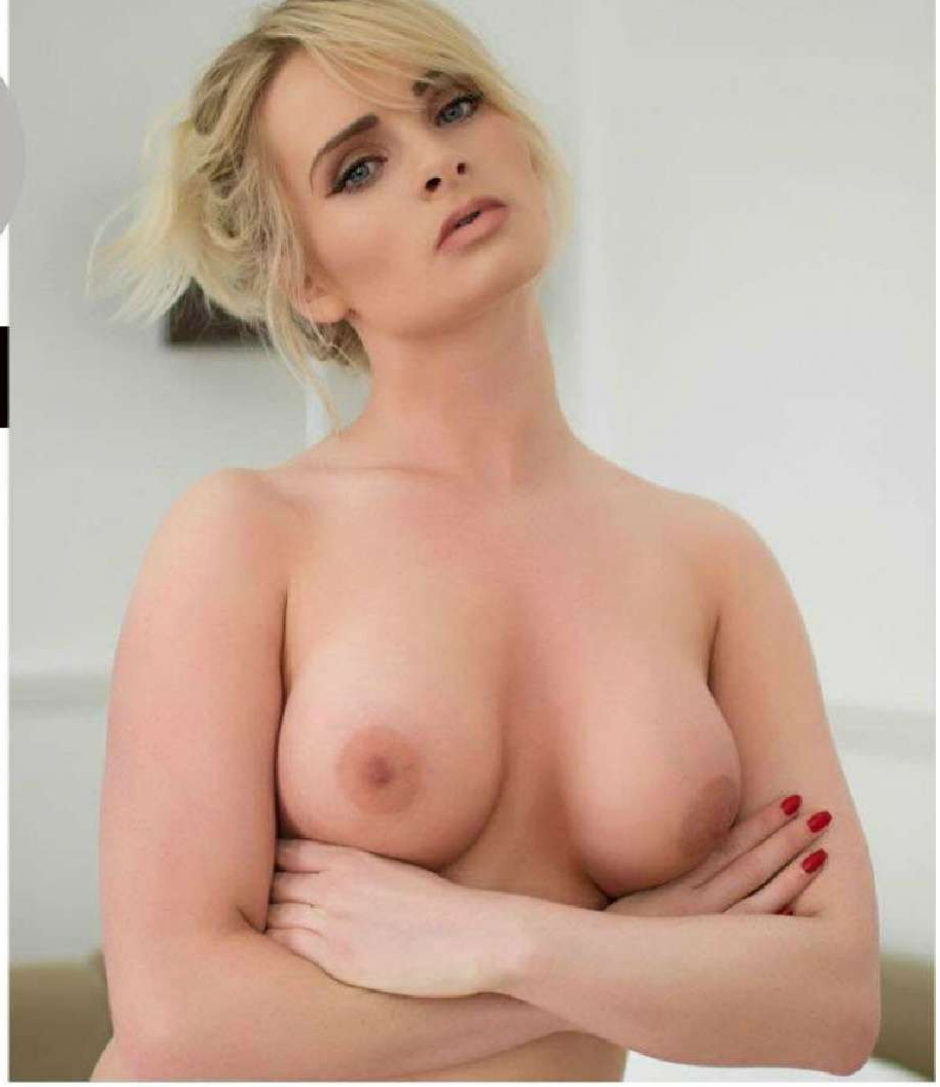
KARANA DOWNS, QLD

"I love being submissive," says 21-year-old owner of heart-shaped nipples, Alice. "Tie me up, spank my arse, hold me down and choke me and tell me I'm a good girl, and I'm all yours." ***Tell us about those nipples.*** "I love, love, love my love heart areolas. I have perky nipples and the tattoos look so realistic it's just like having natural hearts." ***Hopefully you show them off with heaps of outdoor rootage.*** "I've been pretty boring with sex in public. It is not that I haven't wanted to; it just hasn't happened. The most public place I have had sex was at a drive-in cinema, or broadcasting myself on the internet." ***Say what?*** "I love playing with myself when people are watching, so I have made a few videos. But I will be making lots more. And my Snapchat is always brimming full of naughty snaps."

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN?

"Probably outdoors. By the pool, on the lawn – in a tree house."

"Romantic dinners are boring"



HILLIE
LANE COVE, NSW

"My ideal night out is definitely a loud trip to the pub with friends," says 22-year-old Latvian airline stewardess Hillie. "Romantic dinners are boring." ***Tell us about serving people high in the sky.*** "I don't like being away from my family but I do like travelling to new places all the time." ***What is the worst behaviour you have seen in the air?*** "The most obnoxious behaviour I have seen on a flight is a man who got so drunk, he refused to get off the plane once it landed. He said he was tired and needed a few hours rest before he would get off, he was so rude and nasty, and eventually, he was escorted off." ***We didn't realise the NRL had a Latvian team. How do you relax when you land?*** "I love going to the gym, playing netball and shopping. But I also enjoy staying at home and watching Netflix with a glass of wine and some friends. That is one of my favourite things to do."

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN?

"I would rather not answer that."

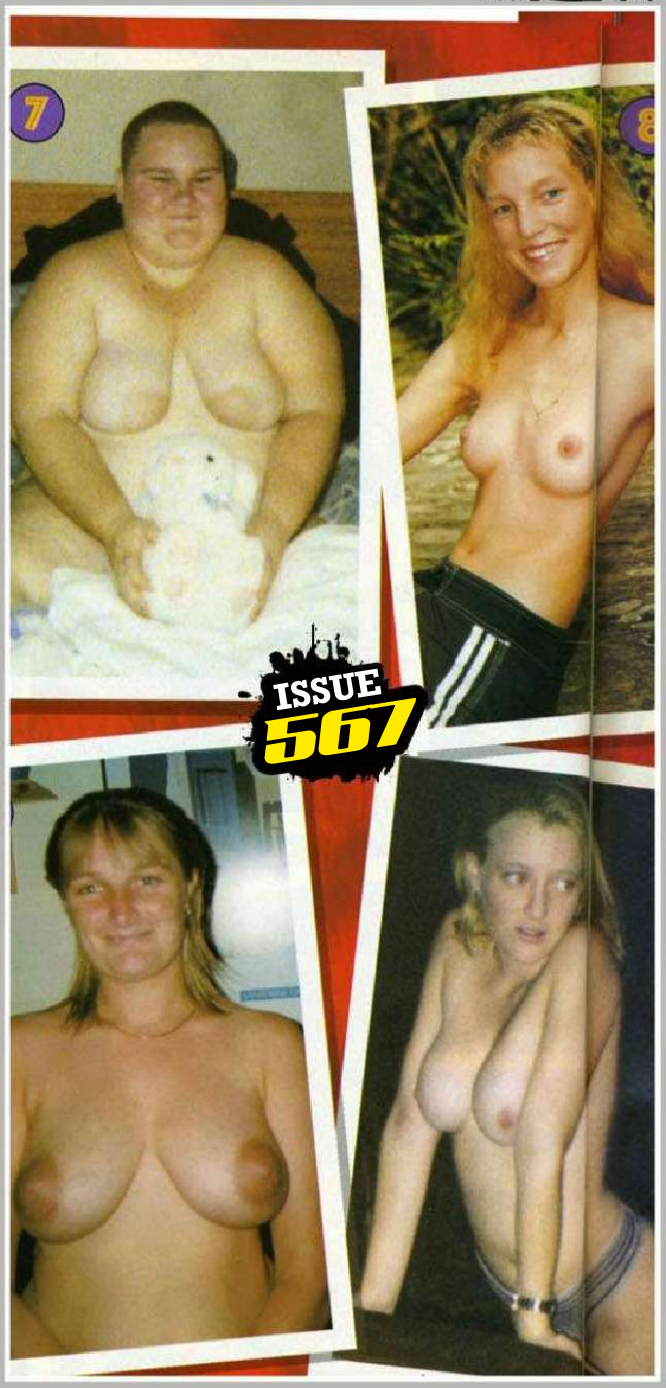
HOMIES FLASHBACK

BABES FROM OUR "WONDER YEARS"



FLASHBACK TO MAY, 1998

As far as months of the year of 1998 go, May was a FANDOOGLY! The Picture, much like today, was fairly BRIMMING with approachable sheilas who enjoyed getting their norks out, having a barbie, listening to The Radiators and just rooting. Most of 'em had never stripped or been in a gang-bang. Things have changed. And who are we to stand in the way?

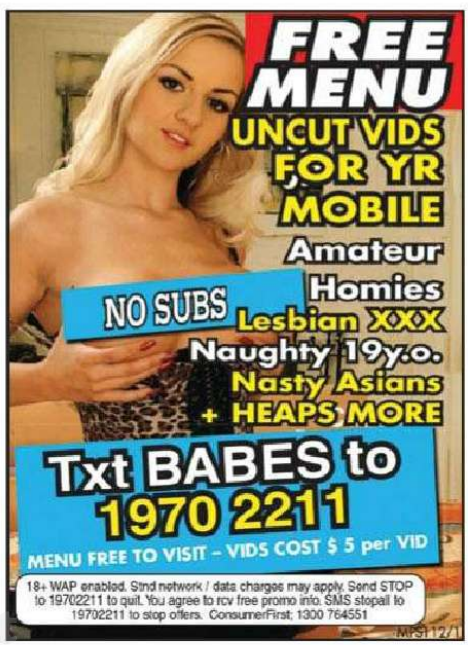
"I just watched some porn"

SARAH
MORDIALLOC, VIC

No doubt you are all keen to know what 29-year-old health industry worker Sarah has been up to since her perky NANAS last graced our pages. "Not much, really. Just watched some porn with my man and played with some handcuffs, a blindfold and whipped cream." ***What was the porn you watched?*** "Teens who crave big dicks." ***Sounds an interesting plot line – any BIG NAMES?*** "I don't really know; I was too busy licking the cream off my boyfriend's cock. He was the one who chose it." ***What other food do you put on his dick? Hummus?*** "No, we use chocolate dipping sauce." ***Chilli sauce would spice things up.*** "Once, a while back, he was cooking with chillies. I didn't know that, and he didn't wash his hands. He then played with me, and boy did it burn." ***Might have been a good time to break out the whipped cream.***

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN?

"Nowhere really unusual; just my bedroom."



$400 BEDROOM BABE

JESS SHEREE
TUNCURRY, NSW

We doubt 22-year-old promo model Jess Sheree has the full set of *My Little Pony* dolls. "I am quite the guy's girl. I like hanging out with the boys, doing manly shit." ***So you appreciate the female form.*** "I once did some sexual experimentation with two of my girlfriends on a public main beach at 2am." ***We're assuming this experimentation did not involve BUNSEN BURNERS.*** "More like lots of stuff! Kissing, touching and licking." ***What did you like about the LICKING part of it?*** "It felt freaking amazing, of course. I swing both ways, but there is nothing better than getting licked out by a gorgeous chick." ***Have you had very much group sex?*** "Only two threesomes. All-girl is super hot, but it's so sensual at the same time. Whereas two-girls-one-guy is nice because you've got both to work with. All-girl was probably my favourite." ***Ever wanted two guys?*** "I've imagined it, but I think it would be a really awkward scenario for the two guys."

WHAT IS THE MOST UNUSUAL PLACE YOU HAVE FLICKED THE BEAN? "In a cinema."

What other KINKY positions get you off?*** "I think the pinning against the wall gives it away: I like doggy style." ***What's the VIBE on a spot of anal? Would you be into that?*** "I am not that much into it. But I do sort of like the idea of doing that to a guy. It might be a lot of fun. He would have to be pretty open-minded."

And OPEN-BOTTOMED! Have you got your strap-on ready for when you get a guy to agree? "Ha ha. You have to keep trying." ***That's the, er, Dunkirk spirit – or whatever you call it in Spain. What other positions do you like?*** "The face-off. We sit on the edge of the bed, face to face, and I ride. The best is the friction of the clitoris against the man's body. And I have had a threesome, once. It was with a man and a bisexual woman. For her, it wasn't her first time, but for my friend and me, it was. I have a few images of that moment in my head that drive me crazy. And once I was having sex in the middle of a field. Suddenly a dog appeared and behind him, his owner, an old English lady who got stupefied and started to yell at us. We run away, of course, naked."

GO FACT YOURSELF!

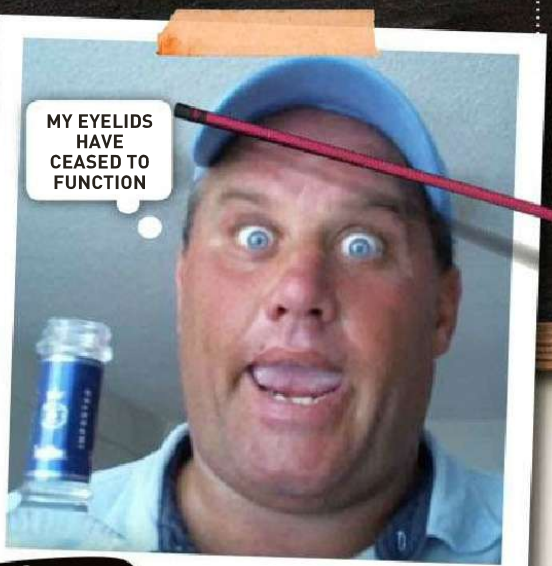
THIS ISSUE: VODKA

01. The word 'vodka' is derived from the Russian for water, which is 'voda'. So logically, it's gotta be good for ya, right?

02. Back in the 15th century, vodka was said to have been used by the Swedish as an ingredient in gunpowder. Now that's what ya call a shot!

03. During tough economic times in Russia, teachers have been paid in vodka. Little Vlad will think twice about sassing a teacher full of angry juice.

04. The most expensive vodka in the world is Billionaire Vodka which goes for FIVE MILLION bucks a bot. The fancy booze is filtered through sand made of crushed diamonds and other gems, and is dished up in a diamond encrusted bottle.



05. An internet NUTTER who calls himself Shoenice, holds the world record for the fastest downing of a 750ml bottle of vodka. The crazy bastard finished it in 9.6 seconds. We're sure the hangover lasted much longer.

06. Apart from getting ya ABSOLUTLY BLOTTO, vodka can be used for other stuff. Like, soaking your razor blade in the stuff after a shave disinfects it and prevents it from rusting.

07. After the surrender of Germany in World War II, the Russians chucked a YOOJ party. After 22 hours of hardcore drinking, they discovered they'd drunk the country dry. If that didn't trigger World War III, nothing will.

08. A litre of vodka weighs 953 grams and not 1kg as one might've imagined. Who woulda thunk it, eh?

09. Every PISSHEAD knows you can chuck a bottle of vodka in the freezer without it crystallising. But that doesn't mean it never freezes; once taken below -26.95 degrees, that shit hardens faster than a bloke reading *Home Girls*.
